SACRIFICES OF ALL SIZES

The expression "THANK YOU" does not begin to express the depth of gratitude the Nebraska Youth Camp Board of Directors have toward the hundreds of people who have donated their time and money. Cabins have been repaired and rebuilt! The dining hall project has become a reality! Amen! We would like to stop and applaud the numerous creative and sacrificial ways which so many have thought to give.

Gifts have come from both children and adults; a little girl who gave all of her change to a board member and a woman in Norfolk who baked a cake and then raffled it off at work so she could donate \$67 to the effort. A young lady in Kansas who designed and sold T-shirts to all of her camp friends, and even their parents, with the proceeds going to fix the cabins. Michelle Tandy was surprised one day as she found a jar full of change in the front seat of her car (they had been saving for a while). Teenagers across

the state who have shown up for car washes and bake sales and the very resourceful men of the Bellevue church who organized a golf tournament. These people show only a fraction of the effort and sacrifices made for the camp and the list goes on.

NYC holds many memories for each of us, now the new dining hall can hold memories of how so many looked beyond themselves, thought a little outside the box, and gave to a wonderful effort. For your hard work, generosity, and creative thinking, THANK YOU!

President's Corner

What is it about Nebraska Youth Camp that instills such love and dedication in the hearts of those touched by this place? It is not the physical place, this little piece of property wedged in between the Platte River and Interstate 80. We find ourselves strongly attached to our camp home but

that is not what makes NYC what it is. It is not the awesome food, although I do believe

we have many amazing people who take that rustic little kitchen and give us some of the best camp food around. And I would dare to even say it is not the people. Many awesome people sacrifice and give so much year after year to help us run our sessions, but they are not the answer.

I believe that Nebraska Youth Camp is a place that our God uses to reach out to His people. It is His work, and the work of His Spirit and the redeeming work of His Son that gives our ministry its purpose and power!

Each year I am reminded of this as I am allowed to watch Him work in the lives of the

people who pass through our gate. Lives are changed because they encounter God! May He continue to use our beloved camp to change the lives of His people.
